Professor Yen Chou, Founder and President of CAPSC

Dear Professor Yen Chou, Founder

Open Door Family Life Center, Inc would like to Thank You for the donation of rice. This will help feed the people that are hungry in our community. As we continue to serve over 300 people every Saturday, without donations like this it would be impossible and for this we thank you.

Thank you again, for your continued support to help us eliminate hunger and promote healthy food to individuals and families.

All donated items will be distributed on our food distribution days free of charge to all.

Donated Item: 125 Bags of Rice

Sincerely,

Tynese Taylor, Outreach Coordinator
